

Abscondence!

Don't be tempted by smooth talk!!

Abscondence leads to...

High risk of **low wages** and **non-payment!**

Unscrupulous brokers may be involved. Absconders often fall deeper into debt in order to get by, which may make returning to their countries difficult.

Absconding can **cause problems** for family members and others who have provided support.

Working anywhere other than a designated training site represents **unauthorized activity** and incurs the possibility of **eviction**, imprisonment with/without hard labor for a period not exceeding 3 years, or a fine of up to 3 million yen.

Higher risk of being involved in crime

Absconders often have no choice but to turn to crime owing to their vulnerability.

No access to health insurance Costs for treatment for injury and sickness are high owing to not being able to pay for health insurance.
