

## Let's Learn about Japanese Manners through Manga

### — Let's Obey Bicycle Traffic Rules —

**The answer is... they are all wrong!**

- ❶ It is dangerous to talk on a mobile phone while riding a bicycle.
- ❷ Bicycles should travel on the left side of the road.
- ❸ It is dangerous to hold an umbrella while riding a bicycle, as it could block your view.
- ❹ Do not ride double on a bicycle.
- ❺ Talking while riding a bicycle alongside another bicycle could obstruct traffic.

Many of you probably ride a bicycle in your daily life in Japan. For your own safety and for the safety of others, including pedestrians, please obey bicycle traffic rules.
